Quarterly Conference

The First Quarterly Conference for the Pilot Point Methodist Church was held Sunday evening of the 23rd, instant, with Rev. F. A. Crutchfield, presiding elder in the chair. Altho weather conditions were unfavorable, we had a very good attendance with the entire official board present. Reports were made from the various departments of the church and some very flattering comments from our presiding elder regarding our good beginning made us happy and encouraged us to go forward.

Soon we are to begin "A Special Missionary Cultivation Campaign" and we hope to reach members, homes and hearts with information that will help us to know more about "WHERE THE MONEY GOES"

During the next several days we shall have a special WEEK OF PRAYER, few days study of "YET ANOTHER DAY IN METHODIST MISSIONS, and our Missionary Committee will give every member information as to what each one is expected to do, FINALLY.

"Keep the facts before the members, and the members will change the facts." We shall expect the young and the old of our church to join heartily in helping to put over this great program. May our work go forward even in a greater way than it has this past quarter.

By the Pastor.
Edward C. Escoe.
